Process

This step action table describes the actions needed to view a completed MOE Determination or Redetermination record after it has been completed and accepted.

Introduction

- The Completed MOE Determinations list displays all MOE initial Determination and Redetermination records that have been completed and accepted for the selected county.
- All fields in the Completed MOE Determinations list are read only.
- The Completed MOE Determinations list is sorted by Date Determined – newest to oldest.
- The Completed MOE Determinations list can be re-sorted using the column sort and filter tools.
- The Completed MOE Determinations list has a county filter which will default to the user’s primary affiliated county/agency. The user will be able to select other counties which they are currently affiliated with.
